

## **PLEASE KEEP THE FOLLOWING IN MIND FOR YOUR MONTHLY CLOSE**

BE VERY CAREFUL WITH YOUR ADDITION for items ordered.

- ✚ Remember "business aides, pwp," do not count for volume.

Please make copies of all internet orders, fax orders. Please get them in on time.

- ✚ Note Pacific Time, we are Eastern Time.

If you do call Arbonne, ALWAYS GET A NAME.

If you're having a problem see the "Challenge Sheet Information" on the Business Building page on our 50megs web site.

- ✚ Send to me all pertinent information BEFORE I can contact VP support.

Please **PRINT** names, addresses, and other data on fax items to Arbonne.

- ✚ Many times Arbonne cannot read, including credit card numbers. This causes delays, as applications are put into a file until details can be worked out. You lose time and gain stress!

REMEMBER;

- ✚ Encourage all "active consultants" to do at a minimum ***\$100 or they will not be PAID.***
- ✚ Encourage all active consultants to do at least ***\$450 retail to obtain ASAP points.*** Go online and see the wonderful gifts, plus remember points can be "rolled over" towards next year---maybe the trip. IF YOU HAVE NOT BEEN ON AN ARBONNE TRIP--you simply do not want to miss as they are exceptional. EARN YOUR POINTS NOW.

***MANAGERS:*** Keep a very close eye on your team's numbers.

- ✚ Many work full time while they build their business--- it is so easy for them to miss something.
- ✚ If someone is promoting please keep in close contact with them to assist with numbers interpretation.

YOU ARE AN INCREDIBLE TEAM AND MANY OF YOU ARE GETTING CLOSER TO RVP!

*Love, Carol Kirken*
